

Appl. No. : 10/642,384
Filed : August 15, 2003

REMARKS

With the present preliminary response, withdrawn Claims 16-28 and 38-47 are now canceled; therefore, Claims 1-15 and 29-37 remain pending for consideration.

The present preliminary response is provided merely to cancel previously withdrawn claims, and does not address the merits of the outstanding Office Action of December 26, 2006. Applicants respectfully request that the Examiner does not act on the present preliminary response, but instead merely enters the amendments to the Claims as indicated above. Applicants intend to file a substantive response to the Office Action in the near future

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
